

Giving Month by Month

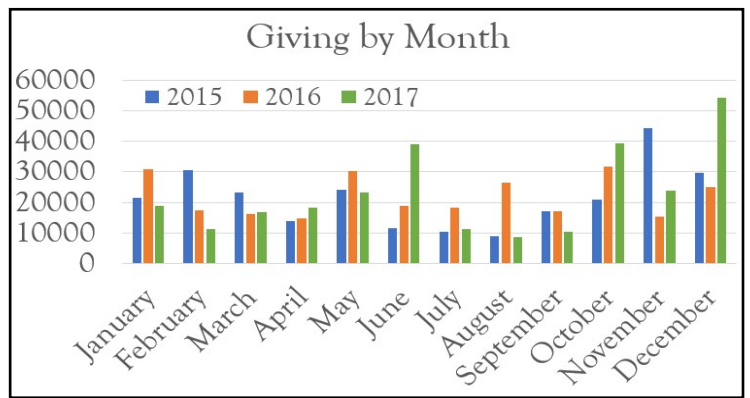

This year we ask you to consider making a monthly commitment instead of a yearly pledge or gift. Why have we made this shift?

It Encourages Spiritual Growth: We want giving to be an intentional and meaningful part of our daily lives. A monthly giving commitment helps us grow as we make giving a regular practice and can more easily

compare it to other expenses.

It's Easy: For many of us, an automatic payment is the easiest way to give. It works no matter what we bring to church or when we get there. We know that we are supporting a community we care about.

It Helps Our Church: Only 3% of our community gives once a month or more often. Monthly givers, whether electronic or not, provide stability to our church income.

Recurring monthly donations can be set up by calling or visiting your bank, or going to our website and setting up a recurring PayPal payment. We will have volunteers available at church on November 4th, 11th, and 18th if you have questions.

We know monthly giving won't work for everyone. If you prefer not to give electronically, or you are uncomfortable making a monthly commitment, we are very grateful for whatever commitment you feel able and called to give. We have many kinds of givers here, and each one is a blessing!
